# Let's Count to 5

Circle the correct number and then print the number in the box beside the items:

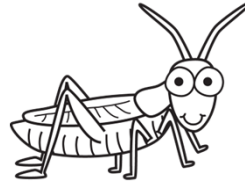

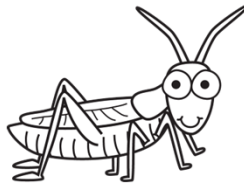

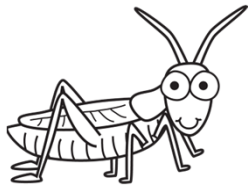

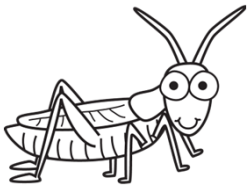

0      1      2      3      4      5

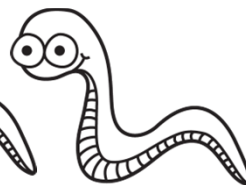

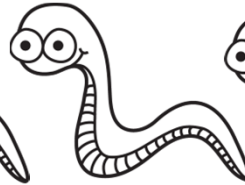

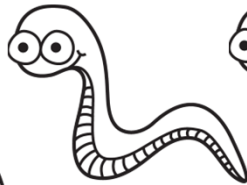

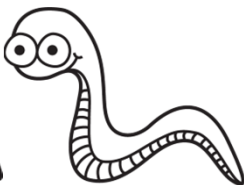

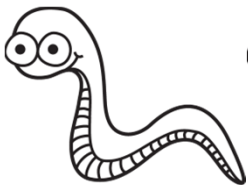

0      1      2      3      4      5

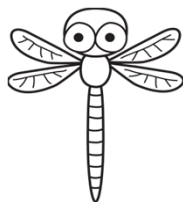

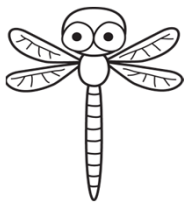

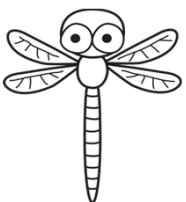

0      1      2      3      4      5

0      1      2      3      4      5

0      1      2      3      4      5

0      1      2      3      4      5
