

Money 101: Spending Wisely

Spending Money Wisely: When we have money, we can use it to buy things we need or want. It's important to think carefully before spending our money. We should ask ourselves if we really need the item or if it will make us happy for a long time.

- 1 Explain what is meant by spending money wisely.
- 2 Can you think of a time when you or somebody you know wasted money? Explain.
- 3 Do you ever buy things you don't need? Why or why not?
