# Advice or Advise?

1. When I lost my purse on the subway, I was advised/advise to go to the central station to check their lost and found center.
2. My brother never asks my advise/advice because he thinks I am too uptight.
3. Advice/Advise her to talk to her doctor about her stomach symptoms.
4. Only follow advise/advice if you trust its source.
5. Dentists routinely advise/advice brushing and flossing your teeth twice per day.
6. With most pieces of advice/advise, it's wise to use what's good but discard the rest.
7. She did not follow what the nurse advised/adviced; as a result, her rash got worse.
8. Keep me adviced/advised.
9. Please do not offer me advice/advise right now, I just need to have my view-point heard.
10. Whenever the outcome of an action is unsure, I advise/advice proceeding with caution.
