# Self Analyze Your Attributes

Look at the attributes below, decide if you have a strength or a weakness. Are they completely developed or do they need some work? Assign a number between 1 and 5 (*1 is a weakness and 5 is a strength*). Provide one statement where you demonstrated each attribute and circle 3 that you would like to improve. On those 3 you could improve on, use the back of this sheet to indicate what you will do to improve in those areas.
