# How to Be A Better Person

Think about the various character traits and write an expository article using ideas (*character traits*) and details to help individuals become a better person. Select from at least 6 of these traits: cooperation, respect, honesty, responsibility, persistence, courage, caring, citizenship, gratitude, integrity, kindness, trustworthy, optimism, fairness, empathy, compassion. Remember to write a strong introduction, followed with ideas supported with details and finish with a strong conclusion.
