① “Press the ‘clear’ button at the gas pump or you will be at risk for additional charges on your credit or debit card.”

*FAKE, although the story went viral, there was no evidence or basis for the story.*

② “Cancer caused by a deficiency of Vitamin B17 .”

*FAKE— There is no such vitamin as B17, another version of cancer quackery!*

③ “Not only does everyone have a unique tongue print, they have unique tongue prints too.

*TRUE—We all have unique tongue and fingerprints!*
