

Name:

Capital Letters

1. Read the letter. 2. Circle each letter that should be a capital letter.
3. How many capitals are missing?

miss jones
learning junior school
learntown, Kansas

dear miss jones,

we are excited to write you about our upcoming year end trip.

everyone has worked hard this year and our great results are because of your wonderful teaching. we are also excited about the year end trip and hope you will agree to our request.

when we took the survey, most of the kids wanted to go to happy animal zoo. we feel it would be a great learning experience and a fun year end trip.

your students would be thrilled if you would agree to this trip. we have all worked very hard this term and this trip would be a great reward! we would remember it forever. Please allow us this choice.

thank you for reading our letter.

sincerely,

your third grade students
