

# Today: \_\_\_\_\_

Today will be great because:

A large rectangular box with a colorful, multi-colored border, intended for writing the reason why today will be great.

A good goal for me for today is:

A large rectangular box with a scalloped border, intended for writing a good goal for the day.

Today I hope:

A large rectangular box with a striped border, intended for writing what the user hopes for today.

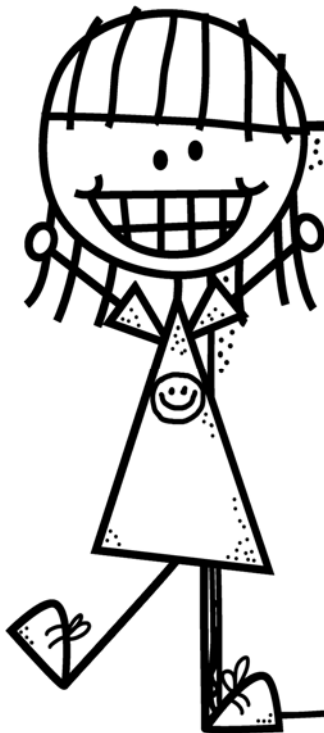

I am grateful for:

A large rectangular box with a wavy border, intended for writing what the user is grateful for.

I am proud of:

A large rectangular box with a scalloped border, intended for writing what the user is proud of.
