

Functions of Government Choice Board!

Complete the number of choices your teacher assigns from this board:

Design a rule for the classroom that you think would help everyone work together and learn better. <input type="checkbox"/>	Identify and draw a picture of a community helper for each branch of government. <input type="checkbox"/>	Write a short sentence or draw a picture to explain the meaning of terms like "laws," "leaders," and "citizens." <input type="checkbox"/>	Describe a decision you make at home, and explain how it is similar to a decision made by the government. <input type="checkbox"/>
List three rights you have and three responsibilities you think are important in a community. <input type="checkbox"/>	Research and find one example of a local government service or facility in your community. <input type="checkbox"/>	Identify a rule or law you follow at home or school. Explain why you think it is important. <input type="checkbox"/>	Brainstorm and describe a project that would make your community a better place. <input type="checkbox"/>
Explain what taxes are and how they help the government provide services. Give an example of something taxes might pay for. <input type="checkbox"/>	Create a campaign poster or a speech for a class election. Explain why your candidate would be a good class leader. <input type="checkbox"/>	Identify a rule or law you follow at home or school. Explain why you think it is important. <input type="checkbox"/>	Make a list of 5 questions you would ask a government official. Which government official would you ask? <input type="checkbox"/>
Write a thank you letter to a government official for a service you appreciate them providing. <input type="checkbox"/>	Explain what the 3 levels of government are where you live. <input type="checkbox"/>	What would happen if there were no levels of government? <input type="checkbox"/>	Why are rules and laws important? <input type="checkbox"/>
