

Functions of Government Quiz:

Match the term of the left to its definition on the right:

Rights and Freedoms

The act of expressing a choice or opinion by marking a ballot during an election to select leaders or make decisions.

Local Government

The process where people vote to choose leaders or make decisions about laws and policies.

Common Good

Money that individuals and businesses are required to pay to the government to support public services and facilities.

Law

The system or organization that has the power to make and enforce laws, rules, and decisions for a community or country.

President Government

The level of government that deals with matters within a specific town, city, or community. Local governments take care of local services like parks, waste management, and community events.

Community

These are like special rules that protect people's choices and beliefs.

Vote

The leader of the country who is elected to represent and make decisions for the national government.

Taxes

Definition: A rule or set of rules made by the government that people in a community must follow.

Election

A group of people who live in the same area and share common interests, resources, and responsibilities.

Working together and doing things that benefit everyone in the community.
