

# The Haunted House

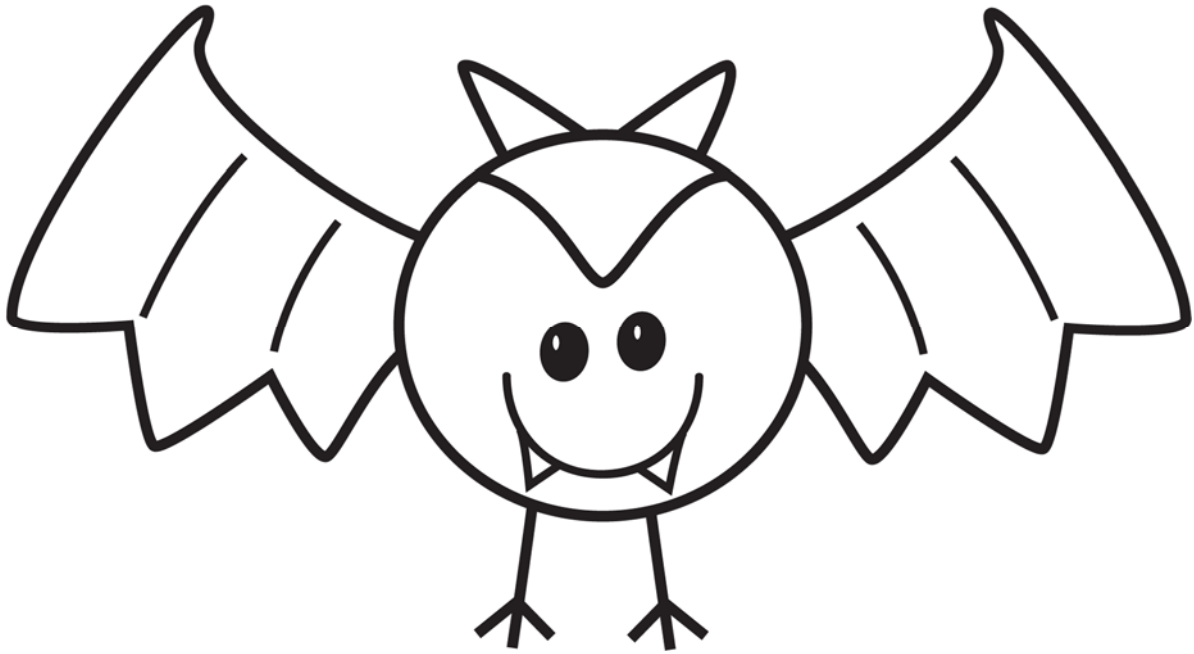

By:

I went into a haunted house,

and I saw a cat.

I went into a haunted house,

and I saw a Bat.

I went into a haunted house,

and I saw a Jack o Lantern.

I went into a haunted house,

and I saw a cauldron.

I went into a haunted house,

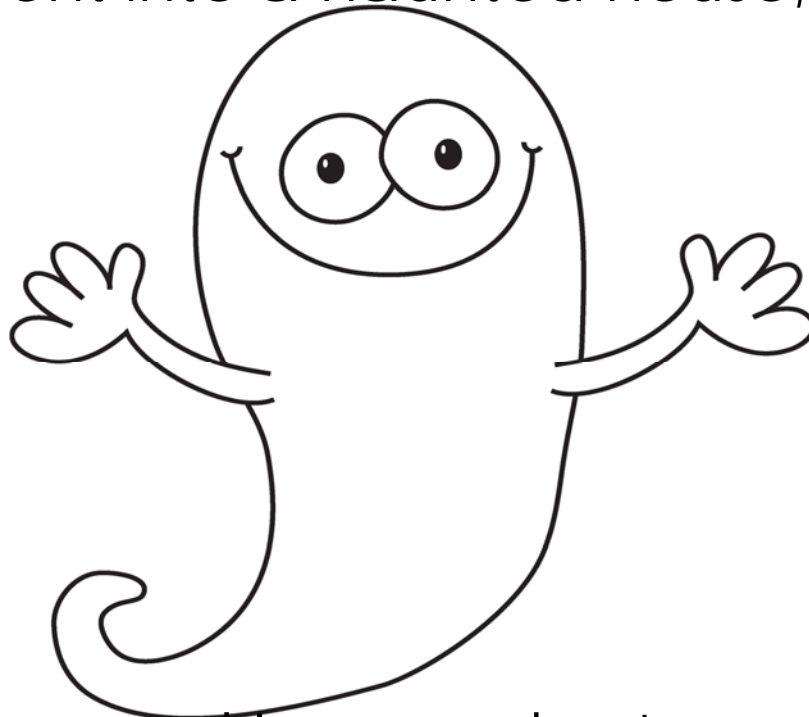

and I saw a pirate.

I went into a haunted house,

and I saw a mummy.

I went into a haunted house,

and I saw a ghost.

I went into a haunted house,

and I saw a vampire.

I left that haunted house!

I saw enough!
