

Name: _____

Should Handshakes be Banned?

Many individuals greet others or congratulate others with a handshake. However, the hands are high touch areas and can have many germs. Decide if you think handshakes should be banned or not.

For this writing assignment:

- your introduction needs a strongly stated opinion
- you need at least three reasons that related back to your opinion
- your reasons should be well supported
- your writing needs to be very convincing to your readers
- your writing should include any relevant facts
- end your writing with a strong conclusion that makes the reader want to support you
