

# Write about where you live and what it is like.

Use Point Form on the Right Column:

**Start Strong:** Begin writing with a strong introductory sentence to inform the reader about the topic.

**Facts/Information:** Use details, facts, and information about your topic from reliable sources.

**Order:** Use clear and complete sentences and connect your ideas logically. Back up your points with relevant facts. Record your sources.

**Write a Conclusion:** Summarize the key points you've made in your paragraph. A good conclusion wraps up the information and leaves the reader with a clear understanding of the topic.
