

Create a Sitcom

A sitcom is a special kind of TV show that lots of people enjoy watching. The word "sitcom" means "situational comedy". Use your imagination and creativity to make your sitcom funny and entertaining. Work in groups to create a short sitcom using a cell phone to record it.

What is a Catchy Title for your sitcom?

What will the setting be: *(Describe where and when it takes place)*

Who are the main characters and explain a bit about each one:

How will it start?

What will the problem/funny situation be?

How will the characters solve the problem?

How will you wrap it up?
