

Name:

News Survey Predictions and Results:

Prior to surveying people to determine what their main source of news is, complete question one. After the survey, complete the rest of the questions.

1 Predict what you believe the results of the survey will convey.
Provide reasons for your predictions.

2 What were the most popular sources of news? Why do you think this is?

3 What were the most least popular sources of news? Why do you think this is?

4 How did the survey results compare or contrast with your preferred source of news?
