I can give a high 5.

I can give an air hug.

I can give a bow.

I can give a wiggle or a dance.

I can give an elbow touch.

I can touch my heart.

I can do a rump bump.

I can do a clap.

I can do a salute.

I can do a thumbs up.

I can do a foot touch.

I can do a wave.

No touch greetings help  
prevent the spread of  
germs.
