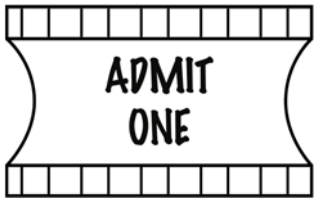
Name:



Previews at the Movies

Some people believe that there are far too many movie previews shown when they attend a specif movie. What is your opinion on this?

When giving your opinion, include the following:

- Your introductory paragraph clearly states your point of view/opinion and introduces the main reasons.
- You have 3 well organized body paragraphs with fully explained reasons for your opinion
- Your concluding paragraph relates back to the introduction and helps convince the reader to consider your point of view.
