Name:

The Opposite of Fairness

There are times in life where you feel that you haven't been treated fairly or you will have observed others not being treated fairly. Complete the following about a time when you or somebody else wasn't treated fairly.

1. **Describe the situation.**
2. **Who was involved?**
3. **What happened?**
4. **What unfairness occurred?**
5. **What could have been done differently to prevent the unfairness?**
