

Name: \_\_\_\_\_

# Point of View

The ability to understand the feelings of others is a great skill of empathy. Look at each of the scenarios and write about how the other person would feel and explain why.

1. You made the school team but your friend didn't. \_\_\_\_\_

---

---

2. You got invited to a great party with a lot of your friends but your best friend didn't get invited.

---

---

3. You got the best report card ever but your brother got the worst report card ever.

---

---

4. There was an argument at recess and the wrong person was removed from the year and given a detention.

---

---

5. You cheated on a test but your friend was blamed for it as both papers were the same:
