

Governments Collect 'Tax' to Provide Public Services

Explain how each of the public services is of help to us, explain what would happen if we did not have these services:

A large empty rectangular box with a black border, intended for writing an explanation of the importance of road construction services.

A large empty rectangular box with a black border, intended for writing an explanation of the importance of public libraries.

A large empty rectangular box with a black border, intended for writing an explanation of the importance of public parks and playgrounds.
