

Using Quotation Marks

When to Use Quotation Marks " "

Quotation marks come in pairs. You need one set of quotation marks at the beginning of the title, dialogue or quote and you need one at the end.

Quotation marks surround dialogue/conversation:

"I had a fantastic time at the zoo." Jill said.

Joe said, "I got an A on my math test!"

Jill whined, "I'm hungry!"

Quotation marks surround some titles, some countries use single quotations:

One of my favorite movies is 'The Ant Bully.'

My brother really likes Fred Penner's song 'Cat Came Back.'

Quotation marks surround some ironies (*use with caution*):

Jamie is too "busy" to help me!

My sister chums with a bunch of 'dancers'.

She says she "forgot" her homework.
