All About Cats

Cats are animals that have soft fur and a tail.

They have four legs and they have claws.

Cats are pets that people keep at home.

Cats like to play with toys, like string and balls.

They also like to nap and sleep in warm spots.

They make different sounds, like meowing and

purring. Cats come in different colors, like black, white, grey,

brown and even orange. They can have short or long hair. Some

cats are friendly, some cats like to be alone. Cats make good pets

for children and adults.
