Spring is Here!

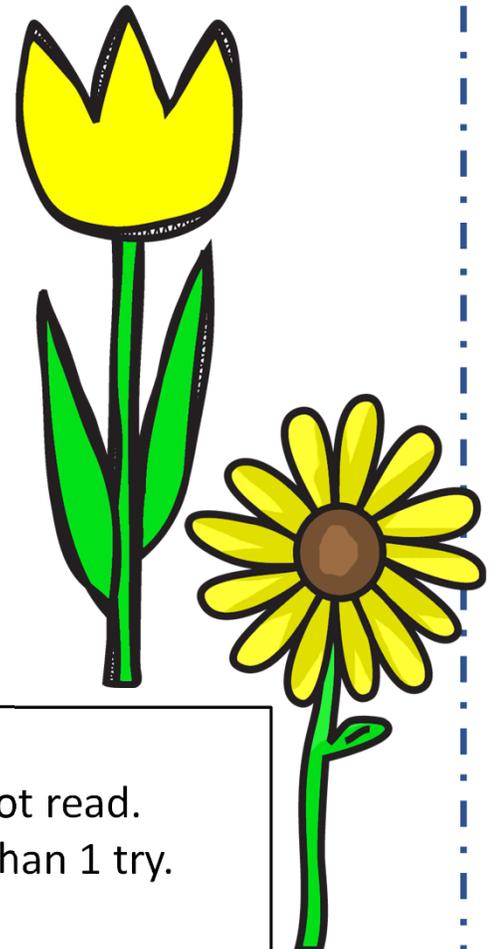

Springtime is here,
The birds will sing,
The days are growing longer,
The flowers start to bloom.

The sun is shining bright,
The days are warm and light,
The grass is turning green,
The trees are full of leaves.

The air is so sweet,
The sky is so blue,
The birds and the bees,
Are busy at work too.

It's a new season,
A special time of year,
Welcome springtime,
Our favorite time of year!

1. Read the poem about Spring
2. Underline each word that you could not read.
