I have a secret magic wand that is very special to me. The wand only works once a day so I'm careful to make sure I use it wisely. To use the wand I take it out and make a very specific wish and within 3 minutes the wish is granted. Today, I used it to wish the rain would stop and in 3 minutes, the rain stopped and the sun came out. I love and cherish my magic wand and after having it, I wouldn't want to live without it.
