

Name: _____

Text Messaging

① It has been said that approximately 1/4 of the text messages sent by teens is sent during the school day.

a.) Why do you think so many teens texting through the school day? _____

b.) Why do you think teens text instead of having face to face talks? _____

c.) Does texting not distract from school achievement? Why or why not? _____

② Text messaging doesn't allow for body language and voice intonation. This leads to messages being mis-understood and taken the wrong way. What advice do you have regarding the use of text messages over real time discussions?
