

I Will:

Be Respectful

Treat others the way you would like to be treated. Use kind words, listen attentively, and be considerate of others' feelings and needs.

Follow Instructions

Pay attention when someone asks you to do something, whether it's a parent, teacher, or any other authority figure. Obey the rules and guidelines set by them.

Be Honest

Always tell the truth, even if it's difficult. Honesty builds trust and helps you maintain healthy relationships with others.

Take Responsibility

Be accountable for your actions and the consequences they may have. Accept responsibility for your mistakes and try to make amends when necessary.

Use Kind Words

Be mindful of your language and actions, choosing words that are polite and respectful. Use your words to uplift and encourage others, and avoid using hurtful or mean language.

Show Empathy

Put yourself in others' shoes and try to understand how they might be feeling. Be compassionate and supportive, offering help and comfort when someone is in need.
